Dear Applicant,

Thank you for contacting my office regarding the Maryland House of Delegates Legislative Scholarship for the 2022-2023 academic year. Scholarships are available for both part-time and full-time students. Students must attend an in-state school unless your academic program/major is not offered in Maryland, in which case you must receive approval for a "unique major" from Maryland Higher Education Commission. Also, you must be a resident of Legislative District 24. If you are uncertain of your legislative district, you can verify it at www.mdelect.net. Type in your address at the top of the page and your representatives will be listed on the left hand side of the screen. I have added the scholarship available online at [Scholarship Application](#). Please fill out all sections of the application and email in your most recent transcripts and essay.

Decisions will be based upon merit, including your scholastic achievement, leadership skills, and community service. You will be contacted with a decision by the end of July 2022. In order to receive your scholarship funds you MUST create a MDCAPS account at <https://mdcaps.mhec.state.md.us> and "accept" the scholarship funds. Please be sure to enter a current email address when creating this account. This is the email address that will be used to notify you of your award amount. Remember, your application, transcripts and essay must be sent by May 31, 2022.

Feel free to contact me or my Legislative Aide, Patrice Costa, with any further questions. We can be reached by telephone at (410) 841-3692 or by e-mail at fayemartin.howell@house.state.md.us.

Sincerely,

Delegate Faye Martin Howell
